God speaks and summons the Earth
from the rising of the sun to where it sets.
Psalm 50:1

"To summon" means "to call".

What do you do when your parents call you?

What does it mean for God to call?

Who does God call?

Who is included? Who is excluded?

How do you feel about that?

He is our peace.
In Himself he has
broken the barriers,
destroyed the division,
halted the hostility.
